Good evening,

The lot is not a sanitation yard but after pulling up the info on Nav LA, it is city owned.

Hello Lieutenant,

Yes, I believe this is a sanitation yard - Danielle, can you confirm? It is definitely City owned. I was initially thinking this could be taken care of with HOPE based on the photos but yes it's always a good idea to get current eyes on it for assessment.

Thanks everyone 😊

Hi Carolyn,

Thank You for the photos and information. Is this a Sanitation yard or another City Property? It looks like it would need a CSLA. Sergeant Mason, is it possible to have your officers assess this location and advise the UHRC on your observations. Sergeant Plows, I am not sure who the SLO is for this area, but can you have them also make contact with the business and/or provide their knowledge on any efforts at this location. Matthew, can you check to see if any coordinated outreach by your Teams has been done at this location and if not can you please send a team.

Thank You all in advance. I know we all have multiple locations and requests throughout the City and its a daunting task. I appreciate everyone's hard work.

Take Care,

Emada

Hi Officer Chellew,

Please see below. This location is in CD 15, Harbor Division, coming from an Engineer from LASAN. Do you think HOPE South would be able to assist with this location? Current maps and photos of the encampments attached. On city-owned property.

Thanks so much 😊

To whom it may concern,

There is homeless encampment at the access road to the existing CDS unit (D-24010) near the Machado Lake area; the nearest intersection is Figueroa Pl & Pacific Coast Highway.

There is an entrance gate at Figueroa Pl follow with the access road led to the CDS unit at the dead end. The homeless occupied halfway of the driveway that cause WSCD crews was not able to access the CDS unit for maintenance. Please see the attached field pictures and the maps for detail.

Thank you
